Bad Reputation

Reverend Horton Heat

Hey!You've got a bad reputation that's a what you got
A bad reputation but I like it a lot
A bad reputation and it's all over town
A bad reputation and it's going aroundA bad reputation (bad reputation!)
A bad reputation (bad reputation!)
You're a bad little chick and that's the word on the street
You're the kind of girl I'd like to meetYou've got bright red lips and a pretty face
A rose tattooed in a private place
Spiked high heels and a wiggle in your walk
Makin' everyone in this big city talkA bad reputation (bad reputation!)
A bad reputation (bad reputation!)
You're a bad little chick and that's the word on the street
You're the kind of girl I'd like to meetYou've got bleached blonde hair and a tight boustia
Ain't no wonder all the people say
You're the sweetest thing any man could see
So come on over here and be sweet on meA bad reputation (bad reputation!)
A bad reputation (bad reputation!)
You're a bad little chick and that's the word on the street
You're the kind of girl I'd like to eatA bad reputation (bad reputation!)
A bad reputation (bad reputation!)
You're a bad little chick and that's the word on the street
You're the kinda girl I'd like to meet
You're the kinda girl I'd like to eat
