

# Bad Reputation

## Reverend Horton Heat

Hey! You've got a bad reputation that's a what you got  
A bad reputation but I like it a lot  
A bad reputation and it's all over town  
A bad reputation and it's going around A bad reputation (bad reputation!)  
A bad reputation (bad reputation!)  
You're a bad little chick and that's the word on the street  
You're the kind of girl I'd like to meet You've got bright red lips and a pretty face  
A rose tattooed in a private place  
Spiked high heels and a wiggle in your walk  
Makin' everyone in this big city talk A bad reputation (bad reputation!)  
A bad reputation (bad reputation!)  
You're a bad little chick and that's the word on the street  
You're the kind of girl I'd like to meet You've got bleached blonde hair and a tight boustia  
Ain't no wonder all the people say  
You're the sweetest thing any man could see  
So come on over here and be sweet on me A bad reputation (bad reputation!)  
A bad reputation (bad reputation!)  
You're a bad little chick and that's the word on the street  
You're the kind of girl I'd like to eat A bad reputation (bad reputation!)  
A bad reputation (bad reputation!)  
You're a bad little chick and that's the word on the street  
You're the kinda girl I'd like to meet  
You're the kinda girl I'd like to eat
