

# I Can Talk - Moulinex Remix

## Two Door Cinema Club

You won't believe what I tell you,  
White coats and clever minds will choose

You get a lot from this  
Loose tongue and arrogance  
It's not appropriate  
Don't think that this is it

Now I can talk, no one gets off  
(I know how you like to)  
Now I can talk, no one gets off  
(repeat)

A longer sentence brings no more  
Than one that I had said before  
It's hard to compromise  
When I see through your eyes  
It's just a common view  
I guess it's lost on you

Now I can talk, no one gets off  
(I know how you like to)  
Now I can talk, no one gets off

Now I can talk, no one gets off  
(I know how you like to)  
Now I can talk, no one gets off

Now I can talk, no one gets off  
(I know how you like to)  
Now I can talk, no one gets off

Now I can talk, no one gets off  
(I know how you like to)  
Now I can talk, no one gets off
