

Can't Hold Back

Anton Ewald

Let's get it on,
Trouble's gone
Time to start the show,
Make you want some more

Turn it up,
Fill my cup
About to tear it down,
Go another round

That's when I see her on the floor so fly
Got me hooked just by looking into her eyes
Something's wrong,
Got me numb

She's controlling me, I'm acting like a freak

Ref:

It doesn't matter what I try to do, I can't hold back

Wanna take it easy but I can't hold back

She caught me off track,

I'm falling like that

It doesn't matter what I do, I can't hold back

X2

Ain't got time,

For no games

Still she's playing me, already on my knees

Just like that,

I'm distracted

She knows how to please, the way she's teasing me

Got me dizzy by the way that she moves (moves)
