Here I Am

Camp Rock

They tell you a good girl is quiet and that you should never ask why
'Cause it only makes it harder to fit in
You should be happy, excited even if you're just invited
'Cause the winners need someone to clap for themIt's so hard just waiting in a line that never moves
It's time you started making your own rulesYou gotta scream until there's nothin' left with your last breath
Say here I am, here I am, make 'em listen
'Cause there's no way you'll be ignored not anymore
So here I am, here I am, here I am, here I amYou only get one life to work it so who cares if it's not perfect
Say it's close enough to perfect for me
Why should you hide from the thunder and the lightning that you're under
'Cause there ain't nobody else you wanna beIf how your living isn't working there's one thing that will help
You gotta finally just stop searchin' to find yourselfYou gotta scream until there's nothin' left with your last breath
So here I am, here I am, make 'em listen
'Cause there's no way you'll be ignored not anymore
So here I am, here I am, here I amThe world better make some room, yeah, move over, over
'Cause you're coming through, 'cause you're coming throughYou gotta scream until there's nothin' left with your last breath
Here I am, here I am, make 'em listen
'Cause there is no way you'll be ignored not anymore
So here I am, here I am, here I am, here I am, here I am
