

# Not Fakin' It

Michael Monroe

Jolly Ollie was a stool pigeon  
On the payroll of the F.B.I.  
Reverend Jim sold instant religion  
With a license from the man in the sky  
Billy the Kid was a gunslinger  
Edgar Wallace was a dead ringer  
Me I'm just a rock 'n' roll singer  
Keyhold John was a bird watcher  
Had a telephoto lens in each eye  
Jack the Ripper was a cool stalker  
But his birds no longer fly  
James Joyce was a mudslinger  
Jesus Christ was a forgiver  
Me I'm just a rock 'n' roll singer  
I'm not fakin' it  
Foolin' myself that I'm makin' it  
I'm not fakin' it  
Tricky Dicky was a fast talker  
But his promises were always a lie  
Nostradamus was a doom watcher  
Predicted when we're gonna die  
Cleopatra was a love giver  
Jesse James was a born killer  
Me I'm just a rock'n'roll singer  
I'm not fakin' it  
Foolin' myself that I'm makin' it  
I'm not fakin' it
