While My Guitar Gently Weeps

Spineshank

I look at you all
See the love there that's sleeping
While my guitar gently weepsI look at the floor
And I see it needs sweeping
Still my guitar gently weepsI don't know why
Nobody told you
How to unfold your loveI don't know how
Someone controlled you
They bought and sold youI look at the world and I notice it's turning
While my guitar gently weeps
With every mistake we must surely be learning
Still my guitar gently weepsLook at you all
So, look at you all
Look at you all
Look at you all
Look, look at you allI don't know how you were diverted
You were perverted too
I don't know how you were inverted
No one alerted youI look at you all
See the love there that's sleeping
While my guitar gently weepsLook at you all
Still my guitar gently weepsLook, look at you all
Look, look at you all
Look at you all, look at you all
Still my guitar gently weeps
