

# While My Guitar Gently Weeps

## Spineshank

I look at you all  
See the love there that's sleeping  
While my guitar gently weepsI look at the floor  
And I see it needs sweeping  
Still my guitar gently weepsI don't know why  
Nobody told you  
How to unfold your loveI don't know how  
Someone controlled you  
They bought and sold youI look at the world and I notice it's turning  
While my guitar gently weeps  
With every mistake we must surely be learning  
Still my guitar gently weepsLook at you all  
So, look at you all  
Look at you all  
Look at you all  
Look, look at you allI don't know how you were diverted  
You were perverted too  
I don't know how you were inverted  
No one alerted youI look at you all  
See the love there that's sleeping  
While my guitar gently weepsLook at you all  
Still my guitar gently weepsLook, look at you all  
Look, look at you all  
Look at you all, look at you all  
Still my guitar gently weeps
