Jus 1 Kiss

Basement Jaxx

Just 1 kiss will make it better
Just 1 kiss and we will be alright
Just 1 kiss will make it better
Just 1 kiss and we'll be flying high
Just 1 kiss will make it better
Just 1 kiss and we will be alright
Just 1 kiss will make it better
Just 1 kiss and we'll flying high
Just 1 kiss will make it better
Just 1 kiss and we will be alright
Just 1 kiss will make it better
Just 1 kiss and we'll be flying high
And we'll be flying high
