Kicking Clouds

Boosie Badazz

Smoke one for me nigga (Light that shit up out there nigga)
Niggas gotta clear they mind sometime you know cuz
It be a lot going on
Lot of money (lot of snakes), lot of haters
So I just ease my mindWhen I need to, clear my mind
Middle finger to your world, if you ain't my kind
And no, I don't really care
I'm in my zone and I just wanna stay there
And I be kicking clouds clouds clouds
Fuck 'em fuck 'em fuck 'em
Smoking something loud loud
Fuck 'em fuck 'em fuck 'em fuck 'emI just like smoking weed (Ain't nothing wrong with that)
Felling fine
Kicking clouds
Tryna have a lil peace of mind
Always be like "fuck my haters"
Sometimes I be like "fuck the world"
"Fuck my girl"
Light up that real nigga
And I don't really care 'cause I'm fine
Hanging out I don't have time
You ain't like my kind
I'm from a rare bloodliine
Just rolled one for my nigga
May he rest in peace
Rolling up in them Boosie papers
Smoking that Lil BWhen I need to, clear my mind
Middle finger to your world, if you ain't my kind
And no, I don't really care
I'm in my zone and I just wanna stay there
And I be kicking clouds clouds clouds
Fuck 'em fuck 'em fuck 'em
Smoking something loud loud
Fuck 'em fuck 'em fuck 'em fuck 'emTonight I'm gon' get fucked up with my dogs (Fuck Em)

I need a blunt and a cigarette
For this crazy bitch
Me against the world

Me and my girl we girl scouting
Let's take a ride on the island
Smoke this loud with meWhen I need to, clear my mind
Middle finger to your world, if you ain't my kind
And no, I don't really care
I'm in my zone and I just wanna stay there
And I be kicking clouds clouds clouds
Fuck 'em fuck 'em fuck 'em
Smoking something loud loud
Fuck 'em fuck 'em fuck 'em fuck 'emWhen I be kicking clouds (so high)
