

Nothing At All

Maxi Trusso

Its taking me I have to go
I know there is nothing at all
Its taking me I have to go
I know there is nothing at all

Ohhhhh Ohhhhh Ohhhhh
I know there is nothing at all

Ohhhhh Ohhhhh Ohhhhh

Its taking me I have to go
I know there is nothing at all
Its taking me I have to go
I know there is nothing at all

There's no time I feel the same
Going around I feel so empty
And its time I feel the rain
Going around I feel so empty

There's no time I feel the same
Going around I feel so empty
And its time my tears come again
Going around I feel so empty

Ohhhhh Ohhhhh Ohhhhh
I know there is nothing at all
Ohhhhh Ohhhhh Ohhhhh
I know there is nothing at all

Its taking me I have to go
I know there is nothing at all
Its taking me I have to go
I know there is nothing at all

Its taking me I have to go
I know there is nothing at all
Its taking me I have to go
