

Don't Talk About This Love

[Cheryl Cole](#)

I'm in so deep, I'm scared to death
It's like I could drown, it's effortless
I feel so juvenile, emotion's going wild Love is brutal, my heart is fragile Please don't talk about this love
The less they know, the less they judge
Don't talk about this love to anyone
I don't want the world to know
Until I'm sure that you're the one
Don't talk about this love to anyone Love is a ghost, I fear to touch
In case I lose my innocence
I feel so insecure
I'm not ready to be sure Love is brutal, my heart is fragile Please don't talk about this love
The less they know, the less they judge
Don't talk about this love to anyone
I don't want the world to know
Until I'm sure that you're the one
Don't talk about this love to anyone Love is brutal, my heart is fragile
My heart is fragile Please don't talk about this love
The less they know, the less they judge
Don't talk about this love to anyone
I don't want the world to know
Until I'm sure that you're the one
Don't talk about this love to anyone
