Don't Talk About This Love

Cheryl Cole

I'm in so deep, I'm scared to death It's like I could drown, it's effortless

I feel so juvenile, emotion's going wildLove is brutal, my heart is fragilePlease don't talk about this love

The less they know, the less they judge

Don't talk about this love to anyone

I don't want the world to know

Until I'm sure that you're the one

Don't talk about this love to anyoneLove is a ghost, I fear to touch

In case I lose my innocence

I feel so insecure

I'm not ready to be sureLove is brutal, my heart is fragilePlease don't talk about this love

The less they know, the less they judge

Don't talk about this love to anyone

I don't want the world to know

Until I'm sure that you're the one

Don't talk about this love to anyoneLove is brutal, my heart is fragile

My heart is fragilePlease don't talk about this love

The less they know, the less they judge

Don't talk about this love to anyone

I don't want the world to know

Until I'm sure that you're the one

Don't talk about this love to anyone
