Holocaust

Loveline

Your eyes are almost dead
Can't get out of bed
And you can't sleepYou're sitting down to dress
And you're a mess
You look in the mirrorYou look in your eyes
Say you realizeEverybody goes
Leaving those
Who fall behindEverybody goes
As far as they can
They don't just careThey stood on the stairs
Laughing at your errorsYour mother's dead
She said
"Don't be afraid"Your mother's dead
You're on your own
She's in her bedEverybody goes
Leaving those
Who fall behindEverybody goes
As far as they can
They don't just careYou're a wasted face
You're a sad-eyed lie
You're a holocaust
