You Can Be Sure

Peter Frampton

You don't have to be a dreamer
To see a better day
You have to be a believer
Just to find a better way
Don't sit in your seclusion, safely watching from afarI don't know why, ooh
We don't learn from what's gone byYou can be sure
I'll be with you till the end
You take my word
More than this I can promise you, yeah, yeahYou know, when you feel defenseless
And it brings you to your knees
Don't keep on retreating
What can I do to make you see?I don't know why
We don't learn from what's gone byYou can be sure
I'll be with you till the end
You take my word
More than this I can promise you, yeahI don't know why
We don't learn from what's gone byYou can be sure
I'll be with you till the end
You take my word
More than this I can promise youYou can be sure
I'll be with you till the end
Please take my word
Don't you know, you can count on me?
I will always be there for you
