In the End

[Kat DeLuna](#)

I'm the textbook definition of a rebel
I see the come over left and I gotta go right
I'm always in some trouble
To me life ain't fun unless you're in a good fightSo the more you're good to me
The more I try to get you to leaveAll my life I've made excuses
Pushing you away
Saying that you're not for meAll my life Ive ran from you, babe
I tried everything
In the end it was you
In the end, in the end it was youAll I wanna do is have a good time
Let the beat go through me and just take me away
You've been trying to get with me for a while
And I've been telling you to save that for another daySo the more you're good to me
The more I try to get you to leaveAll my life I've made excuses
Pushing you away
Saying that you're not for meAll my life Ive ran from you, babe
I tried everything
In the end it was you
In the end, in the end it was youNo, no, no, I never would've thought
You'd be the one that I'd be with in the end
Lately I never would've dreamed
That you and me would be together in the endNo, no, no, I never would've thought
You'd be the one that I'd be with in the end
Lately I never would've dreamed
That you and me would be together in the endAll my life I've made excuses
Pushing you away
Saying that you're not for meAll my life Ive ran from you, babe
I tried everything
In the end it was you
In the end, in the end it was youAll my life I've made excuses
Pushing you away
Saying that you're not for meAll my life Ive ran from you, babe
I tried everything
In the end it was you
In the end, in the end it was you
