Because the Night (Nightcore Edit)

Cascada

Take me now, baby, here as I am Hold me close, and try and understand

Desire is hunger is the fire I breathe

Love is a banquet on which we feedCome on now, try and understand

The way I feel when I'm in your hand

Take my hand, come under cover

They can't hurt you now can't hurt

you now, can't hurt you nowBecause the night belongs to lovers

Because the night belongs to lust

Because the night belongs to lovers

Because the night belongs to us [x2]Have I a doubt, baby when I'm alone

Love is a ring, a telephone

Love is an angel, disguised as lust

Here in our bed 'til the morning comesCome on now, try and understand

The way I feel, under your command

Take my hand, as the sun descends

They can't touch you now can't touch

you now, can't touch you nowBecause the night belongs to lovers

Because the night belongs to lust

Because the night belongs to lovers

Because the night belongs to us [x2]
