

Good Hearted Woman

Willie Nelson & Waylon Jennings

A long time forgotten the dreams that just fell by the way
The good life he promised ain't what she's livin' today
But she never complains of the bad times
Or the bad things he's done, lord
She just talks about the good times they've had
And all the good times to come (She's a good hearted woman in love with a good timin' man)
She loves him in spite of his ways she don't understand
(With teardrops and laughter they pass through this world hand in hand)
(A good hearted woman, lovin' a good timin' man)
He likes the bright lights and night life and good time friends
And when the party's all over she'll welcome him back home again
Lord knows she don't understand him but she does the best that she can
A-this good hearted woman, lovin' a good timin' man (She's a good hearted woman in love with a good timin'
man)
(She loves him in spite of his ways she don't understand)
(With teardrops and laughter they pass through this world hand in hand)
A good hearted woman, lovin' a good timin' man
(She's a good hearted woman in love with a good timin' man)
She loves him in spite of his ways she don't understand
(With teardrops and laughter they pass through this world hand in hand)
A good hearted woman, lovin' a good timin' man
