Under My Skin

Criminal

Stigmatized, unlike anyone of you
I'm a stranger, anyplace I goScarred for life, down to the core
Never regret, never repent
Hate makes me stronger
In my personal war
Poisoning my blood
Raging within
This fire is burning
Under my skinIf I bleed, my blood is for my own
No futile creed, shall pollute my soulFlesh of the weak
Feeds that machine
Never accept, never submit
Hate makes me stronger...Show no remorse, But If I ever do
I'll hate myself, more than I hate youScarred for life, an open sore
Never regret, never repent
Hate makes me stronger...
