

# She's Not There (Long Version)

## Vanilla Fudge

No one told me about her  
The way she lied  
Well, no one told me about her  
How many people cried Well, it's too late to say you're sorry  
How would I know, why should I care  
Please don't bother trying to find her  
She's not there...oh oh oh Nobody told me about her  
What could I do  
Well, nobody told me about her  
Though they all knew Well, it's too late to say you're sorry  
How would I know, why should I care  
Please don't bother trying to find her  
She's not there....
