Disciples Of The Lie (live)

Iced Earth

You abuse and you victimize
But you're dignified, so you justify
It's in your eyes where deception lies
So you criticize with cruel eyes
Father in black, black as sin
Pure hypocrisy to no end
Condemnning me and my fellow man
I live my life among the damnedI've gotta do as you say, not as you do
You're a man of the cloth, I'm comin' for you
You say you can save me, cleanse me of my sin
A holy predator, the wolf in sheepskin
Disciples of the lieBreeding fear in your twisted smile
Pedophile, in denial
I taste revenge when I think of you
A life of hell you put me through
When I find you I'll take youout
No remorse, you're going down
You see satisfaction in my eyes
I vindicate, now you dieI've gotta do as you say, not as you do
You're a man of the cloth, I'm comin' for you
You say you can save me, cleanse me of my sin
A holy predator, the wolf in sheepskin
Disciples of the lieThe blackness inside overwhelms me
The pain engulfs and turns to rage in me
Trapped so deep in my mental hell
Release the demons, set me freeI've gotta do as you say, not as you do
You're a man of the cloth, I'm comin' for you
You say you can save me, cleanse me of my sin
A holy predator, the wolf in sheepskin
