

# Roll Along With Me

Tom Brosseau

Staring out at the train  
at three road reflection on the water from the moon

My mind sails

I pray we'll be together baby one day soon

Roll along with me

Roll along with me

Love can do no wrong

Therefore love is the fulfillment of the law

As we move in it is evident

that every wave lives for one hooraaaah

Roll along with me

Rooooooll

Tool along with me

(yes sir)

Is it the same for you as it is for me

You want it all the more when in the red over time sands

holding all the things out there tonight there is to hold

watching everything grow away from my haaaands

Roll along with me

Roooooll

Roll along with me
