

# Invitation to the Blues

Ray Price

I couldn't sleep last night just walked the floor  
Don't know how I'll stand this anymore  
Lonely are the times since I lost you  
Received your invitation to the blues I don't know why you caused me such pain  
I just hope I'll never go through this much again  
Thanks for sending something I can't use  
Received your invitation to the blues You took the laughter from this world of mine  
And thanks to you the sun will never shine  
Walk the floor so much wore out my shoes  
Received your invitation to the blues I don't know why you caused me such pain  
I just hope I'll never go through this much again  
Lonely me I don't know what to do  
Received your invitation to the blues
