This Door Swings Both Ways

Herman's Hermits

Everyone's life is bittersweet

It's a door that opens wide

And no man can call himself complete

Till he's seen it from both sidesThis door swings both ways

It's marked 'In' and 'Out'

Some days, you'll want to cry

And some days, you will shoutThis door swings both ways

It goes back and forth

In comes a southern breeze

Or a cold wind from the northThis door swings both ways

Lets in joy and pain

In comes the morning sun

And then the evening rainThis door swings both ways

Lets in dark and light

Every day you make the choice

To let in wrong or rightWhen shadows fall

You must prepare yourself for sunshine

For everything, there is an end

And so, my friend, you must be brave This door swings both ways

Which one will it be

Will we live in happiness

Or dwell in miseryThis door swings both ways

Lets in earth and sky

Make the most of livin'

If you're not prepared to die

Make the most of livin'

If you're not prepared to die
