Isn't It Amazing

Hothouse Flowers

Do it now
You know who you are
You feel it in your heartAnd you're burning with ambition
At first, wait,
Won't get it on a plateYou're gonna have to work for it harder and harder
And I know
'cause I've been there before
Knocking on the doors with rejection (rejection)And you'll see
'cause if it's meant to be
Nothing can compare to deserving your dream
It's amazing,
It's amazing all that you can do
It's amazing,
Makes my heart singNow it's up to you
Patience, now, frustration's in the air
And people who don't careWell, it's gonna get you down
And you'll fall (fall)
Yes, you will hit a wall
But get back on your feetAnd you'll be stronger and smarter
And I know
'cause I've been there before
Knockin' down the doors,Won't take "No" for an answer
And you'll see
'cause if it's meant to be
Nothing can compare to deserving your dream
Oh-oh-oh
Don't be embarrassed, don't be afraid
Don't let your dreams slip away
It's determination and using your gift
Everybody has a gift
Never give up, never let it die
Trust your instincts and most importantly
You've got nothing to lose
So just go for it
Ah-ah-ah
