Mona Lisa, Mother Earth

Swans

Tonight, I'll Spend The Night In Mona Lisa's Bed
She'll Hide This Beaten Man Beneath Her Innocence
Tonight No Dream's Denied In Mona Lisa's Mind
We'll Ride A Drowning World Through The Cold Black Sky
Mona Lisa, Mother Earth
Mona Lisa, Mother Earth
My Mind's An Ocean In Mona Lisa's Hand
She Dreams A Hiding World Where The Water Runs Red
Tonight My Dreams Are Born On Mona Lisa's Breast
We'll Walk A Burning World Where The Sun Shines Darkness
Mona Lisa, Mother Earth
Mona Lisa, Mother Earth
