Evelyn

Hurts

I don't mind
If your hands are a little cold
Guess I'm alive
But I got no way to goSo stay with me, Evelyn
Don't leave me with a medicineIn the night
As you sit and watch me sleep
I know you cry
But I never want to seeSo if you go
And I don't know what to do
So don't you go
'Cause I've got no one but youSo stay with me, Evelyn
Don't leave me with a medicine
So stay with me, Evelyn
Don't leave me with a medicineI see the lights
Casting shadows on my screen
And I don't mind
The lullabies from the machinesBut if you go
I don't know what I'll do
So don't you go
'Cause I've got no one but youSo stay with me, Evelyn
Don't leave me with a medicine
So stay with me, Evelyn
Don't leave meI'm more afraid than I've ever been
So stay with me, Evelyn
