

One More Time

Korn

Always it's coming and here starts the game
Why can't this puzzle be solved?
Each time it happens it's always the same
I look down and it starts to fall
And all I see it burns my eyes
Burning all inside Caught in the corners of my mind
Beginning over one more time
Taking me over, taking all that's mine
One more time Always this teasing sometimes I lose faith
Where is my strength to hold on?
Facing existence how can I relate?
Do I stand here or move on?
And all I see it burns my eyes
Burning all inside Caught in the corners of my mind
Beginning over one more time
Taking me over, taking all that's mine
One more time Caught in the corners of my mind
Beginning over one more time
Taking me over
Taking all that's mine
One more time Falling through this space and time
Buried in this hurt of mine
Falling slowly like a dream
Falling through a world unseen Why can I not break this spell?
I'm in darkness, is this Hell?
Falling towards this hole I see
This is how it has to be Caught in the corners of my mind
Beginning over one more time
Taking me over, taking all that's mine
One more time Caught in the corners of my mind
Beginning over one more time
Taking me over, taking all that's mine
One more time One more time
One more time
