One More Time

Korn

Always it's coming and here starts the game Why can't this puzzle be solved? Each time it happens it's always the same I look down and it starts to fall And all I see it burns my eyes Burning all insideCaught in the corners of my mind Beginning over one more time Taking me over, taking all that's mine One more timeAlways this teasing sometimes I lose faith Where is my strength to hold on? Facing existence how can I relate? Do I stand here or move on? And all I see it burns my eyes Burning all insideCaught in the corners of my mind Beginning over one more time Taking me over, taking all that's mine One more timeCaught in the corners of my mind Beginning over one more time Taking me over Taking all that's mine One more timeFalling through this space and time Buried in this hurt of mine Falling slowly like a dream Falling through a world unseenWhy can I not break this spell? I'm in darkness, is this Hell? Falling towards this hole I see This is how it has to be Caught in the corners of my mind Beginning over one more time Taking me over, taking all that's mine One more timeCaught in the corners of my mind Beginning over one more time Taking me over, taking all that's mine One more timeOne more time One more time
