

# Freeze Frame

## Less Than Jake

I could see it was a rough cut Tuesday  
Slow motion weekdays stare me down  
Her lipstick reflex got me wound  
There were no defects to be found  
Snap shot and it froze without a sound Thursday morning was a hot flash factor  
Her face still focused in my mind  
Test, strip, proof, sheet, love is hard to find  
Friday night we danced the spotlight grind  
Stop time heart for me if she's not mine Freeze frame, freeze frame  
Freeze frame, freeze frame  
Freeze frame, freeze frame  
Freeze frame, I freeze, yeah Now I'm looking at a flashback Sunday  
Zoom lens feeling just won't disappear  
Close up, dark room, sweet talk in my ear  
Her hot spot love for me is strong  
This freeze frame moment can't be wrong Freeze frame, freeze frame  
Freeze frame, freeze frame  
Freeze frame, freeze frame  
Freeze frame, I freeze, yeah Can't be wrong Freeze frame, freeze frame  
Freeze frame, freeze frame  
Freeze frame, freeze frame  
Freeze frame, I freeze, yeah Freeze frame, oh yeah  
Freeze frame, yeah  
I freeze, you freeze  
Freeze frame, yeah  
Freeze frame, yeah  
Freeze frame, yeah I freeze, you freeze  
Freeze frame, yeah  
Freeze frame
