Dracula Teeth (WXPN-FM)

The Last Shadow Puppets

The Railway Arch Confessional
I wrote your name in white emulsion
I drift away with silver faces on displayI wake up in an ice cold sweat and my skin
starts to creep
You're hovering above my bed looking
down on me
Haunted house sound effects
Dracula teethLover boy's last resort
Secretly calls The Getaway Car
Lucky stars rattle the jaw
As the drawing bowI wake up in an ice cold sweat and my skin
starts to creep
You're hovering above my bed looking
down on me
Haunted house sound effects
Dracula teethLipstick on my pillow via my cheek
The full moon's glowing yellow and the
floorboards creek
C'est Horrifique!Threatening behavior
Bounces round my mind
Enthusiasm paraphernalia
All over the side
(Dracula teeth)
Dracula teeth
(Dracula teeth)Pinball machines on mute
