

# Lift Off

Jay-Z

(All engines running)  
We gon' take it to the moon, take it to the stars  
How many people you know can take it this far?  
I'm supercharged  
I'm 'bout to take this whole thing to Mars Now we gon' take it to the moon, take it to the stars  
You don't know what we been through to make it this far  
So many scars  
'Bout to take this whole thing to Mars (Lift off) Lift off, takin' my coat off  
Showin' my tattoos, I'm such a showoff (Huh?)  
I feel the pain and then rolled off  
I got the whole city they about to go off  
How many niggas with' me up in this bia'?  
How many people wanna roll with me ah'?  
Like you know na na na, you know me by now  
Know me, know me by now We gon' take it to the moon, take it to the stars  
How many people you know can take it this far?  
I'm supercharged  
I'm 'bout to take this whole thing to Mars Now we gon' take it to the moon, take it to the stars  
You don't know what we been through to make it this far  
So many scars
