Change the World

Ace Frehley

And then I make wish
I make it on eagle's wings
And when I say a prayer
I pray for peace, pray for peaceNothing happens if you don't try
When nothing happens, that's the reason whyHey, when I woke up today
I thought I could change the world
Hey, when I woke up today (up today)And when I look into the faces of children
I see perfect love
And when I pray to my God in heaven
I pray for peace, pray for peaceNothing happens if you don't try
When nothing happens, that's the reason whyHey, when I woke up today
I thought I could change the world
Hey oh, when I woke up todayLa-La, la-di-di-di-da, I think it's time for a change
When I was young I played, I had lots of fun
But now I can see it's time for a change
The time is right
We gotta put up a fight
And bring about some changesWhen I woke up today
I thought I could change the world
When I woke up today
I thought I could change the world
When I woke up today
I thought I could change the world
When I woke up today
I thought I could change the worldWhen I woke up today
