

Handlebars (Keramik remix)

Flobots

I can ride my bike with no handlebars
No handlebars
No handlebars
I can ride my bike with no handlebars
No handlebars
No handlebarsLook at me, look at me
Hands in the air like it's good to be
Alive!
And I'm a famous rapper
Even when the paths are all crookedy
I can show you how to do-si-do
I can show you how to scratch a record
I can take apart the remote control
And I can almost put it back together
I can tie a knot in a cherry stem
I can tell you about Leif Ericson
I know all the words to "De Colores"
And "I'm proud to be an American"
Me and my friend saw a platypus
Me and my friend made a comic book
And guess how long it took
I can do anything that I want cause, lookI can keep rhythm with no metronome
No metronome
No metronomeAnd I can see your face on the telephone
On the telephone
On the telephoneLook at me
Look at me
Just called to say that it's good to be
Alive!
In such a small world
I'm all curled up with a book to read
I can make money open up a thrift store
I can make a living off a magazine
I can design an engine sixty four
Miles to a gallon of gasoline
I can make new antibiotics
I can make computers survive aquatic conditions
I know how to run a business
I can make you wanna buy a product

Movers shakers and producers
Me and my friends understand the future
I see the strings that control the systems
I can do anything with no assistance
Cause I can lead a nation with a microphone
With a microphone
With a microphone
And I can split the atoms of a molecule
Of a molecule
Of a moleculeLook at me
Look at me
Driving and I won't stop
And it feels so good to be
Alive and on top
My reach is global
My tower secure
My cause is noble
My power is pure
I can hand out a million vaccinations
Or let 'em all die in exasperation
Have 'em all healed of their lacerations
Have 'em all killed by assassination
I can make anybody go to prison
Just because I don't like 'em and
I can do anything with no permission
I have it all under my command
Because I can guide a missile by satellite
By satellite
By satellite
And I can hit a target through a telescope
Through a telescope
Through a telescope
And I can end the planet in a holocaust
In a holocaust
In a holocaust
In a holocaust
In a holocaust
In a holocaustI can ride my bike with no handlebars
No handlebars
No handlebars
I can ride my bike with no handlebars
No handlebars
No handlebarsI can ride my bike without handlebars
No handlebars
No handlebars

No handlebars
