

It Ain't None of Your Business

Missing Persons

Don't tell me what to do
And don't you ask me where I'm goin' to
I have to do what's right for me
Why is that so hard for you to see? Tryin' to get along with you
Is not an easy thing to do
Your suspicious nature drives me mad
You're wreckin' everything that we had It ain't none of your business
Where I'm goin'
It ain't none of your business
Who I'm seein'
It ain't none of your business
So stop foolin' around with my life You can't possibly know what it's like
To be inside of me
I'm on my own
Why can't you just leave me alone? I have always trusted you
If I can do it, you can too
What I do is my concern
Now you're just gonna have to learn It ain't none of your business
Where I'm goin'
It ain't none of your business
Who I'm seein' It ain't none of your business
What I'm doin'
It ain't none of your business
It ain't You've got to take me serious
You're makin' me delirious
I feel like someone who's in jail
Now let go of my shirt tail This kind of thing has got to stop
Relationship is on the rocks
I can't take it anymore
You're drivin' me right out of the door It ain't none of your business
Where I'm goin'
It ain't none of your business
Who I'm seein' It ain't none of your business
What I'm doin'
It ain't none of your business
It ain't It ain't none of your business
It ain't none of your business
It ain't none of your business
It ain't none of your business
It ain't none of your business It ain't none of your business

It ain't none of your business
It ain't none of your business
It ain't
It ain't none of your business
