Get Her Back

Robin Thicke

All I wanna do
Is keep it live, keep it live
Just keep you satisfied
All I wanna do
Is make it right, make it right
Is make you smile tonight
All I wanna do
Is give you that thing
Play you that song you and your girlfriend sing
All I wanna do
Is get you back tonight
I gotta get her, go get her, go get her, go get her back
I gotta get her, go get her, go get her, go get her back
I gotta treat her right whoah, I gotta cherish for life
I gotta get her, go get her, go get her, go get her tonightI never should have raised my voice
Or made you feel so small
I never should have asked you to do anything at all
I should have kissed you longer
I should have held you stronger
And I'll wait for forever for you to love me againAll I wanna do
Is keep it live, keep it live
Just keep you satisfied
All I wanna do
Is make it right, make it right
Is make you smile tonight
All I wanna do
Is give you that thing
Play you that song you and your girlfriend sing
All I wanna do
Is get you back tonight
I gotta get her, go get her, go get her, go get her back
I gotta get her, go get her, go get her, go get her back
I gotta treat her right whoa, I gotta cherish for life
I gotta get her, go get her, go get her, go get her tonight
Oh, it's so hard
It's so hard
Oh, it's so hard
Oh, it's so hard
But it doesn't have to be'Cause all I wanna do

Is keep it live all night
Just keep you satisfied
All I wanna do
Is make it right, make it right
Is make you smile tonight
All I wanna do
Is give you that thing
Play you that song you and your girlfriend sing
All I wanna do
Is get you back tonight
I gotta get her, go get her, go get her, go get her back
I gotta get her, go get her, go get her, go get her back
I gotta treat her right whoa, I gotta cherish for life
I gotta get her, go get her, go get her, go get her tonightAll I wanna do
Is keep it live, keep it live
Just keep you satisfied
All I wanna do
Is make it right, make it right
Is make you smile tonight
All I wanna do
Is give you that thing
Play you that song you and your girlfriend sing
All I wanna do
Is get you back tonight
I gotta get her, go get her, go get her, go get her back
I gotta get her, go get her, go get her, go get her back
I gotta treat her right whoa, I gotta cherish for life
I gotta get her, go get her, go get her, go get her tonight
