Broken

She Craves

Kiss me and tell me that it's broken
It's broken please tell me that we're through
Who needs a love that is over
You know I've got a million nights with better things to do

We, we don't want to win
Who commit the sin
Let's forget about this mess we made
Don't you think it's been too long
Since you and I got it on
We're trying to forget about this mess we made

Kiss me and tell me that it's over
It's over don't keep me this way
Show me a life that is holy
You know I don't think that we'd have much to say

We, we don't want to win
Who commit the sin
Let's forget about this mess we made
Don't you think it's been too long
Since you and I got it on
We're trying to forget about this mess we made
Yeah

We, we don't want to fight
We don't want to win
Let's forget about this mess we're in
Don't you think it's been too long
Since you and I got it on
We're trying to forget about this mess we made
Yeah
