

# String Of Pearls

## Jimmie's Chicken Shack

She wanna string of pearls, all I got her was a necklace  
Made of flowers from the trash can  
She wanna make me pay for it  
Yeah while I'm at it guess I'll take another bath, man And the record's out  
Holdin' steady gaining on last place  
And in a moment's notice  
We'll be ready for the next new phase  
Another stupid craze She wanna string of pearls, all I got her was a necklace  
Made of flowers from the trash can  
She's gonna make me pay for it  
I start to sing and cry and then it makes me laugh, man Yeah we've all got doubts might not be winning but still  
in the race  
And in a moment's notice we'll be ready for her next new phase  
It might be hard to sell still never in giving  
Have I given so deep oh, well Will you give it all to me when you're dead?  
You can keep the scent on my pillow  
To settle your broken-hearted head Will you think of me when you die?  
Holding steady moment's notice  
Again she left with my heart in hand She says she hates me, yeah she's lied before  
Again it's time to play me, yeah it just adds up  
That same sad melodic score, I wrote another one  
Does this one count? And did cost as much as all the other ones  
So much more, so much more, so much more, so much more She wanna string of pearls, all I got her was a  
necklace  
Made of flowers from the trash can  
She wanna make me pay for it  
And while I'm at it guess I'll take another bath, man Yeah the record's out  
Holding steady gaining on last place  
And in a moment's notice  
We'll be ready for her next new phase  
So I state my case Would you want a string of pearls?  
Would you want a string of pearls?  
Would you want a string of pearls?  
'Cause all I got you was a necklace  
Made of flowers, made of flowers from a trash can And she wanna string of pearls  
Ain't that enough, ma'am?  
And she wanna string of pearls  
I think it's worth so much more And she wanna string of pearls  
I think it's worth so much more

And she wanna string of pearls
