

Velocity Girl

Snow Patrol

Oh, velocity girl
What makes you go so fast?
Is it the speed you're taking
Since you gave up the drinking? Oh, velocity girl
I can't keep up with you
Can't stand to be alone
Think you should be with me Just wanna stay here in your arms Oh, velocity girl
Try harder to stay put
Understand me when I say
Please, don't leave today Oh, velocity girl
I don't know what I'm thinking
Since I gave up the drinking
Please, just stay with me Just wanna stay here in your arms Oh, velocity girl
Can I touch your hand
Can I move it here?
Don't you understand? I'll just stay here in your arms
I'll just stay here in your arms
I'll just stay here in your arms
I'll just stay here in your arms Oh, velocity girl
Oh, velocity girl
Oh, velocity girl
