

# I Think It's Gonna Rain Today

## Dusty Springfield

Broken windows  
In empty hallways  
A pale dead moon in a sky streaked with grayHuman kindness is overflowing  
And I think it's goin' to rain todayScarecrows dressed  
In the latest styles  
With frozen smiles to chase love awayHuman kindness is overflowing  
And I think it's goin' to rain todayLonely  
LonelyTin can at my feet  
Kick it down the street  
And that's the way to treat a friendRight before me  
The signs implore me  
Help the needy and show them the wayHuman kindness is overflowing  
And I think it's goin' to rain today
