

Look At Us

Sarina Paris

For all the times I really ever wouldn't be
Look at us baby, look at us now
For every day that I should have you by my side
We'll make it baby, look at us now
For every night I pray, I know that you would say
Look at us baby, look at us now
Remembering the time our love was not so fine
We made it, baby, look at us now, baby look at us
Everybody believed we would never be
Look at us up above, we are so in love
Every day in you arms, baby can't go wrong
We are strong, look at us now
For all the times I meet, we ever were to be
Look at us baby, look at us now
For everyday that I, should have you by my side
We'll make it baby, look at us now
For every night I pray, I know that you would say
Look at us baby, look at us now
Remembering the time, our love was not so fine
We made it, baby, look at us now, baby, look at us
Baby, look at us, baby, look at us
Baby, look at us, baby, look at us
Everybody believed, we would never be
Look at us up above, we are so in love
Every day in you arms, baby can't go wrong
We are strong, look at us now
For every night I dream, together you and me
Look at us baby, look at us now
You're like the flower bloom, the glowing of the moon
We'll make it baby, look at us now
For every one believe that we could never be
Look at us baby, look at us now
Now all the hurt is gone, I knew it all along
We make it, baby, look at us now
Baby, look at us, baby, look at us
Baby, look at us, baby, look at us, baby, look at us
For every night I dream, baby, look at us
For every night I dream, baby, look at us
For every night I dream, baby, look at us

For every night I dream, dream, dream
Dream, dream, dream, dream, dream
Dream, dream, dream, dream, dream
Dream, dream, dream, dream, dream
Dream, dream, dream, dream, dream, dream, dream
For every night, I dream, the more I do believe
Look at us, baby, look at us now
All cleared up in the sky, our love will meant tonight
We'll make it, baby, look at us now
And all you ever do, I know you would be true
Look at us, baby, look at us now
A story of a guy is one to never die
We'll make it, baby, look at us now, baby, look at us
For all the times I really ever would to be
Look at us, baby, look at us now
For everyday that I should have you by my side
We'll make it, baby, look at us now
For every night I pray, I know that you would say
Look at us, baby, look at us now
Remembering the time, our love was not so fine
We made it, baby, look at us now
Baby, look at us, baby, look at us
Baby, look at us, baby, look at us
