## Green Apple Quick Step

Rapid flow  
Of suburbia  
Ironically  
It's you motherly  
Anti-confusion  
Genocide  
The human Can't you see  
What you've done  
Don't hurt me  
I didn't do anything  
No no no Gonna have no fun  
When there is no one  
Teach me indian  
How to listen Build a bridge  
Over my sky  
Drive your car now baby  
To the other side  
I want you to see  
Just what you're doing to me  
Anti-confusion  
Genocide  
The human Can't you see  
What you've done  
Don't hurt me  
I didn't do anything  
No no no Gonna have no fun  
When there is no one  
Teach me indian  
How to listen I could win the lottery  
But I don't know what the numbers will be  
And if I did I would buy you a house  
And I would write a song for free
