Dancing In the Rain

Robi Draco Rosa

Do you feel like coming to dance?
Or make love baby, I know you want it
So come down and show me what you needSo, do you feel, feel like comin?
Do you want me to stand alone?
Take that flower from your ear
And come dancing in the rain with meAnd do you feel, feel like running
If youre shy babe thats okay
I know we can fly if were dancing in the rain
You seeAnd when we dance, we, we can make love babe
When we move you can do no wrong
Show me how you feel
Just come dancing in the rain with meThere she goes, shes like a sexy rose
And her bodys like a secret
That you gotta know, yeah
Its were I wanna beThere she goes shes got a sexy pose
When she looks at me and slowly takes off all her clothes
You move like you own the world
Why dont you dance with me?I see your smile, oh baby
Sweet sex can drive me crazy, oh love
Ooh you wanna dance in the rain with me?And when we bump and grind all night
And it feels just like candy, oh doll
Do you feel like dancing in the rain with me?There she goes, shes like a sexy rose
And her bodys like a secret
That you gotta know, yeah
Its where I wanna beThere she goes shes got a sexy pose
When she looks at me and slowly takes off all her clothes
You move like you own the world
Why dont you dance with me?I see the girls dancing slowly
And the boys they moan like theyre so horny
Oh doll, do you feel like dancing with me?There she goes, shes like a sexy rose
And her bodys like a secret
That you gotta know, yeah
Its were I wanna beThere she goes shes got a sexy pose
When she looks at me and slowly takes off all her clothes
You move like you own the world
Why dont you dance with me?There she goes shes like a sexy rose
And her bodys like a secret
That you gotta know, yeah
Its were I wanna beThere she goes shes got a sexy pose

When she looks at me and slowly takes off all her clothes
You move like you own the world
Why dont you dance with me?Do you, do you wanna dance in the rain with me?
Do you wanna dance in the rain with me?
Do you, do you wanna dance in the rain with me?
