Pitch Perfect

It's going down fade to Blackstreet the homies go at meCollab creations bump like ; acne no doubtI put it down never slouch as long as my credit could vouch a dog couldn't catch me straight upTell me who could stop when Dre making moves
Attracting honeys like a magnet
Giving 'em eargasms with my mellow accentStill moving this flavour with homies
Blackstreet and Teddy
The original rhum shakersShorty get down, good Lord
Baby got em up open all
Over town
Strictly biz, she don`t play around
Cover much ground got,
Game by the poundGetting paid as a forte
Each and every day through
Player way
I can`t get him out of my mind
I think about the boy all the time
