

# Love Is All We Have Left

U2

Nothing to stop this being the best day ever  
Nothing to keep us from where we should be  
I wanted the world but you knew better  
And that all we have is immortality  
Don't close your eyes  
Love and love is all we have left  
A baby cries on a doorstep  
Love is all we have left  
Love and love is all we have left  
You argue because you can't accept  
Love is all we have left  
Now you're at the other end of the telescope  
Seven billion stars in her eyes  
So many stars  
So many ways of seeing  
Hey this is no time not to be alive  
Love and love is all we have left  
A baby cries on a doorstep  
Love is all we have left  
Love and love is all we have left  
The only thing that can be kept  
Love is all we have left
