

# True to Life

RÄ¶yksopp

When I walk up to your door  
When I walk into your room  
And open windows

Can you hold it in your hand  
Can you make me understand  
The tension, the pressure

And I know just what it means  
To be left out all alone  
I got it just like that

Go, go, go, go, go, go, go, go  
I wanna go, go, go, go right back again  
I wanna give, give, give, give you everything  
I wanna go, go, go, go right back again  
I wanna give, give, give, give you everything  
I wanna go

Troubled eyes, equipment of my heart  
An all the time reflecting on why heart  
Funny how the game got all twisted  
Like day and night, never existed

Could I be more true to life  
Tell me how did I become  
Half my real self

Wanna reach and touch the skies  
Wanna end the lonely nights  
The breathless hours

And I know just what it means  
To be left out all alone  
I got it just like that

Go, go, go, go, go, go, go, go  
I wanna go, go, go, go right back again  
I wanna give, give, give, give you everything  
I wanna go, go, go, go right back again

I wanna give, give, give, give you everything  
I wanna go
