

Smoke Good (feat. Sam King & Mann)

Demrick & Cali Cleve

KiNG SAM

(verse 1)

Good weed only in my system is a must, Good weed always in a system is a pluss
Nobody got time for the Reggie or the AZ, just the cali you can find me in the ally like puff
Grandaddy puff, grandady so tuff, in the bak of my cali house felling so lush
Kush blunts got my lips black never no crutch, in the mutherfuking front burning bak to the front
Dont get me crisscrossed ill make that loud pack jump, one itty bitty hit make a nigga str8 crump
No spacejam jordans but ill still space jump, when im rollin up a blunt swear I look into the future
Give a nigga suture, if you want a freshcut, thats a stupid ass manuver if you goin against us
In the wild wild west, las vegas g's up hoes down, got that fire in my pocket you cant hose down,
KING UP()Damm blunted from my home, good aint nothing but a swisher to the dome,
Good weed only in my system is a must, got me smelling like a skunk, now im bringing in the funk
Good weed only in my system is a must got me smelling like a skunk now im bringing in the funk
Demrick

(verse 2)16 ounces in a pound, break it down, to the ground, smoking floating on a cloud, looking out

Step into a room wit a smell, got the weight to tip a scale, but aint none of it for sale
This type of kush turn your world parallel, have you high as hell, sittin their trippin by yurself
Saint lavon why sell clientele, I want that top shelf smoke this is not a fire drill
Yaaa my niggas smoke for real got some bad stoner bitches they wit it wanna chill
Roll a funky feel tip, take a field trip real quick out in Paris smoking Paris OGHit a stage, then I rage, for my
fans, roll my grams, in advance jet fuel in my bags ewww weee
Kush get to kicking bruce lee, put the blunts down, I been smoking raws all week()
Damm blunted from my home, Good aint nothing but a swisher to the dome,
Good weed only in my system is a must, got me smelling like a skunk, now im bringing in the funk
Good weed only in my system is a mustgot me smelling like skunk
Now im bringing in the funk
M-A-double Mr. Known to keep a couple rolled up, when I show up, bet I smell like OG
Young yumpy in the cut, rolling up, mainly indica, peace life, all my niggas smoke weed
Woaah young nigga dope, I promote the dope, girl I beat it up, get the rope-a-dope
Uhh dont get emotional, you know im on the road, you know I smoke allot, know I done forgot
Girl I want the box, aye dont open that I said I want the box, keep the door closed ya I know its hot
Hit one more bowl that'll get you highh, push it to the limit know youll never die, spirit infinite
We get intimate, I dont immitate, im authentic to this, all my real stoners go on twist 1 to this
Uhh young niggas going beast mode, shout to my 3rd eye niggas on the east coast()
Damm blunted from my home, Good aint nothing but a swisher to the dome
Good weed only in my system is a must, got me smelling like skunk now im bringing in the funk
Good weed only in my system is a must Got me smelling like a skunk
Now im bringing in the funk...
