Maze

Fuel Fandango

The overhead view is of me in a maze

And you see what I'm hunting a few steps away

But I take a wrong turn and I'm on the wrong path

And the people all watching enjoy a good laugh

Embarrassed with failure, I try to reverse

The course that my tread had already traversed

So doing the trauma engulfing my dream

Invaded through what was an unguarded seam

The torrent of helplessness swept me away

To the cavern of shame and the hall of dismay

Inside me a voice was repeating the phrase

'You lost it, you'll never get out of this maze'

You'll never get out of this maze (You'll never get out of this maze) You'll never get out of this maze (You'll never get out of this maze) You'll never get out of this maze (You'll never get out of this maze) You'll never get out of this maze (You'll never get out of this maze) You'll never get out of this maze (You'll never get out of this maze) You'll never get out of this maze (You'll never get out of this maze) You'll never get out of this maze (You'll never get out of this maze) You'll never get out of this maze

(You'll never get out of this maze)
You'll never get out of this maze
(You'll never get out of this maze)
You'll never get out of this maze
(You'll never get out of this maze)
You'll never get out of this maze
(You'll never get out of this maze)
You'll never get out of this maze
(You'll never get out of this maze)
