Mama used to feed the Hobo's  
Now I'm a Hobo  
I'm a HoboMama used to feed 'em scraps and things  
Now I eat scraps and things  
I eat scraps and thingsMama used to feed 'em scraps and things  
Now I eat scraps and things  
I eat scraps and things(Solo)Mama said California was gonna fall in the ocean  
Gonna fall in the ocean  
Mama said California was gonna fall in the ocean  
Now I'm in the ocean  
I'm in the oceanWhen I was a child I loved the people  
Now I'm afraid of the people  
I'm afraid of the people  
When I was a child I loved the people  
Now I'm afraid of the people  
I'm afraid of the peopleMama used to feed the Hobos  
Now I'm a Hobo
