

# Gettin' Mad and Pumpin Iron'

## The Coathangers

woke up this morning  
ooh so fucking mad  
i wanna beat my fist against the back of your head  
i wanna destroy you baby  
rip you into shreds  
guess iâ€™ll go down to the basement and pump some iron instead

take back  
whyâ€™d you even say that  
i just gotta tell you  
iâ€™m gonna break your fucking face

you are the key to my demise  
oh how i hate to hear your lies  
i wish you would just get out of my life  
youâ€™re so abrasive i could scream  
geee i dont mean to make a scene  
but i just got the urge to break your skull

take back  
whyâ€™d you even say that  
i just gotta tell you  
iâ€™m gonna break your fucking face

why do you do the things you do  
why do you treat me like a fool  
i wish you would just get out of my life  
itâ€™s always always about you  
itâ€™s always about you

take back  
whyâ€™d you even say that  
i just gotta tell you  
iâ€™m gonna break your fucking face
